Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence.

Step 1

The Union shall submit the grievance, in writing and signed by him or her, to his immediate supervisor or designate. The employee may be accompanied by a Union steward. The immediate supervisor or designate will deliver his or her decision, in writing, within five (5) days following the day on which the written grievance was presented to him. The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting to the Union Representative.

8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 2 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing, identifying each employee who is grieving to the (designated by the Hospital) within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a union steward, or by the union steward at Step 2 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in discharging the employee, or
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

- 8.08 (a) Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 2 is given, the grievance shall be deemed to have been abandoned.
- (b) The parties agree that it is his or her intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the service of a mediator /arbitrator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator/arbitrator.
- 8.09 All agreements reached under the grievance procedure between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).
- 8.10 (a) When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided, however, that, if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- (b) Notwithstanding (a) above, the parties may, upon mutual agreement, agree to a sole arbitrator who shall proceed by way of mediation-arbitration. The party making the request shall do so in writing and at the same time, it shall propose the name of a sole arbitrator. Within five (5) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within ten (10) calendar days, the Minister of Labour shall have the power to effect such appointment upon application thereto by the party invoking the arbitration procedure. Once appointed, the sole arbitrator shall have all powers as set out in Section 50 of the Labour Relations Act including the power to impose a settlement and to limit evidence and submissions.
- 8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.
- 8.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

- 8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.
- 8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.
- 8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.
- 8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree, in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential lay-offs in the unit.

(c) Voluntary Exit Option

If, after making offers of early retirement, individual layoff notices are still required, prior to issuing those notices the Hospital will offer a voluntary early exit option in accordance with the following conditions:

- (i) The Hospital will first make offers in the classifications within department(s) where layoffs would otherwise occur. If more employees than are required are interested, the Hospital will make its decision based on seniority.

shall be entitled to severance pay equal to the greater of two (2) weeks pay, or one (1) weeks pay per year of service to a maximum of twenty-six (26) weeks pay. This entitlement shall not be in addition to any entitlement to severance pay under the *Employment Standards Act*, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who have undertaken skills assessment procedures provided by any government training agency, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that hospitals shall be free to grant to any employees hired through this process full credit for service earned with another Hospital

The size, structure, composition, and activities of each Committee will be mutually determined by the parties, and application will be made to any available funding source for the funding of administrative expenses.

Such employee so displaced shall be laid off.

- (iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of lay-off. If the claim for workers' compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the employee would be entitled under the short term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.

ARTICLE 25 - COMPENSATION

25.01 Experience Pay

An employee hired by the Hospital with recent and related experience, may claim, at the time of hiring on a form supplied by the hospital, consideration for such experience. Any such claim shall be accompanied by verification of previously related experience. The Hospital shall then evaluate such experience during the probationary period. Where, in the Hospital's opinion, such experience is relevant, the employee shall be slotted in that step of the wage progression consistent with one year's service for every one (1) year of related experience in the classification on the completion of the employee's probationary period. It is understood and agreed that this shall not constitute a violation of the wage schedule in the Collective Agreement.

25.02 Temporary Transfers

When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying position in the bargaining unit for a period in excess of one-half of a shift, he shall be paid the rate immediately above his current rate in the higher classification to which he was assigned from the commencement of the shift on which he was assigned the job.

25.03 Job Classification

- (a) When a new classification (which is covered by the terms of this Collective Agreement) is established by the Hospital, the Hospital shall determine the rate of pay for such new classification and notify the local Union of the same and provide details at least fourteen (14) days prior to posting. If the local Union challenges the rate, it shall have the right to request a meeting with the Hospital to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days receipt of notice from the Hospital of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.
- (b) When the Hospital makes a substantial change during the term of this Agreement in the job content of an existing classification which, in reality, causes such classification to become a new classification, the Hospital agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.
- (c) If the matter is not resolved following the meeting with the Union, the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.
- (d) The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

25.04 Wages and Classification Premiums

See Local Provision Appendix L25

25.05 Job Descriptions:

A copy of the current job description for a bargaining unit position shall be made available to the Union upon request.

ARTICLE 26 - RELATIONSHIP

26.01 The Hospital and the Union agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or his or her representatives or members because of an employee's membership or non-membership in the Union or because of his activity or lack of activity in the Union.

26.02 The Union further agrees that there will be no solicitation for membership, collection of dues or other Union activities on the premises of the Hospital, save as specifically permitted by this Agreement or in writing by the Hospital.

ARTICLE 27 - EDUCATION FUND

27.01 If the local union indicates to the Hospital that a special assessment of \$0.03 per hour for union education applies to all bargaining unit members, the Hospital agrees to deduct this assessment.

27.02 Such assessment along with a listing of employees will be paid on a quarterly basis into a trust fund established and administered by the applicable SEIU Local Union for this purpose.

ARTICLE 28 - REGISTERED PRACTICAL NURSES

28.01 RPN Professional Responsibility

The parties agree that patient care is enhanced if concerns relating to workloads arising from patient acuity and volumes are resolved in a timely manner using a problem solving approach.

Communication between the parties shall be:

- **Professional;**
- **Courteous;**
- **Collegial;**
- **Respectful &**
- **Focused on resolving the issue, not on the individual.**

In the event that the Hospital assigns a number of patients or a workload to an individual nurse or group of nurses such that they have reasonable grounds that they are being asked to perform more work than is consistent with proper patient care, they shall:

- **At the time the workload issue occurs, discuss the issue within the unit/program to resolve the concern using the current resources.**

- If necessary, using established lines of communication, seek immediate assistance from an individual(s) identified by the Hospital (who could be within the bargaining unit) who has responsibility for timely resolution of workload issues.
- Failing resolution of the workload issue at the time of occurrence, the nurse(s) will complete a workload review form and discuss the issue with their Manager or designate on the next day that the Manager (or designate) and the nurse are both working or within five (5) calendar days, whichever is sooner. The manager will provide a written response to the complainant(s), with a copy to the RPN Steward and Union Representative.

Note: The parties will meet within 60 days following ratification to develop the workload review form which will then be appended to the collective agreement.

28.02 RPN Professional Development

Continuous professional development is a hallmark of professional nursing practice and as a self-regulating profession nurses are required to maintain competency. The parties jointly recognize the importance of maintaining a dynamic practice environment which may include ongoing learning, career development, career counselling and succession planning. The parties agree that professional development includes a diverse range of activities, including but not limited to formal academic programs; short-term continuing education activities; certification programs; independent learning committee participation. The parties recognize their joint responsibility in and commitment to active participation in the area of professional development.

The Hospital will work jointly with RPNs to:

- Promote Professional Development
- Promote access to professional development opportunities for RPNs
- Acknowledge that responsibilities for professional development are shared between the individual and the Hospital
- Review and make recommendations regarding professional development initiatives, including but not limited to mentorship and internship
- Review and make recommendations regarding the existing nursing continuing education programs; and on the use of technology to enhance access

28.03 RPN Registration Renewal

A nurse is required to **renew her or his registration by December 31 of each year.** Such time will be extended for reasons where the College of Nurses of Ontario permits the

nurse's Certificate of Registration to remain in effect. If the nurse's Certificate of Registration is suspended by the College of Nurses of Ontario for non-payment of the annual fee, the nurse will be placed on non-disciplinary suspension without pay. If the nurse presents evidence that her or his Certificate of Registration has been reinstated, she or he shall be reinstated to her or his position effective upon presenting such evidence. Failure to provide evidence within 90 calendar days of the nurse being placed on non-disciplinary suspension by the hospital will result in the nurse being deemed to be no longer qualified and the nurse shall be terminated from the employ of the Hospital. Such termination shall not be the subject of a grievance or arbitration.

28.04 Education Leave

The parties acknowledge that the responsibility for professional development is shared between the RPN and the Hospital. In this regard the local parties will endeavour to provide flexible work schedules to accommodate the RPN's time off requirements.

- a) **Leaves of absence, without pay, for the purposes of furthering professional nursing career development may be granted, subject to the operations of the hospital, on written application by the RPN to the Chief Nursing Officer, Supervisor or designate. Requests for such leave shall be done in accordance with local policies dealing with discretionary leave (where applicable) and will not be unreasonably denied.**
- b) **A full-time or regular part-time RPN shall be entitled to leave of absence without loss of earnings from her or his regularly scheduled working hours for the purpose of taking examinations required by an accredited course that has been approved in advance by the Hospital in which RPNs are enrolled to enhance their nursing qualifications.**

For greater clarity, the period of the leave shall include the night shift prior to and any scheduled shifts commencing on the day of the examination as long as payment under this clause does not result in the payment for more than one regularly scheduled shift.

- c) **Leave of absence without loss of regular earnings from regularly scheduled hours for the purpose of attending short courses, workshops or seminars to further professional nursing career development may be granted at the discretion of the Hospital upon written application by the RPN to the Chief Nursing Officer, Supervisor or designate.**
- d) **Professional leave with pay will be granted to full-time and regular part-time RPNs who are elected to the College of Nurses to attend regularly scheduled meetings of the College of Nurses, provided that this leave has been approved in advance of the schedule being posted.**

28.05 Whistle Blowing Protection

Provided an RPN has followed reasonable policies or procedures issued by the Hospital concerned to protect the Hospital's entitlement to investigate and address any allegation of wrongdoing, RPNs will not be subject to discipline or reprisal for the reasonable exercise of their professional obligations, including those related to patient advocacy.

28.06 Ambulance Escort

Where a nurse is assigned to provide patient care for a patient in transit, the following provisions shall apply:

- a) **Where a full-time nurse performs such duties during her or his regular shift, the full-time nurse shall be paid her or his regular rate of pay. Where a full-time nurse performs such duties outside her or his regular shift or on a day off, she or he shall be paid the appropriate overtime rate.**

Where a part-time nurse performs such duties during an assigned shift, she or he shall be paid her or his regular rate of pay. Where part-time nurse continues to perform such duties in excess of her or his assigned shift, she or he shall be paid the appropriate overtime rate.

- b) **Where such duties extend beyond the nurse's regular shift, the Hospital will not require the nurse to return to regular duties at the hospital without at least eight (8) hours of time off. Where such time off extends into the nurse's next regularly scheduled shift she or he will maintain her or his regular earnings for that full shift.**
- c) **Hours spent between the time the nurse is relieved of patient care responsibilities and the time the nurse returns to the hospital or to such other location agreed upon between the Hospital and the nurse will be paid at straight time or at appropriate overtime rates, if applicable under Article 17.02. It is understood that the nurse shall return to the hospital or to such other location agreed upon between the Hospital and the nurse at the earliest opportunity. Prior to the nurse's departure on escort duty, or at such other time as may be mutually agreed upon between the Hospital and the nurse, the Hospital will establish with the nurse arrangements for return travel.**
- d) **The nurse shall be reimbursed for reasonable out of pocket expenses including room, board and return transportation and consideration will be given to any special circumstances not dealt with under the foregoing provisions.**

28.07 RPN Mentorship

RPNs may, from time to time, be assigned a formal mentorship role for a designated nurse. Mentorship is a formal supportive relationship between two (2) nurses, which results in the professional growth and development of an individual practitioner to maximize her or his clinical practice. The relationship is time limited and focused on goal achievement. Orientation to the organization or general

functioning of the unit does not constitute mentorship.

After consultation with the nurse being mentored and the mentor, the Hospital will identify the experiences required to meet her or his learning needs, will determine the duration of the mentorship assignment and expectations of the mentor, and appropriate training. During the consultation process, the Hospital will review the mentor's workload with the mentor and the nurse being mentored to facilitate successful completion of the mentoring assignment.

The Hospital will provide on a regular basis, as required by the hospital based on need, all RPNs with an opportunity to indicate their interest in assuming a mentorship role, through a mechanism determined by the local parties. The Hospital selects and assigns the mentor for a given mentoring relationship. At the request of any unsuccessful applicant, the Hospital will discuss with him or her any ways in which he or she may be successful for future opportunities. The final decision in selection of RPN mentors lies solely with the Hospital.

The Hospital will pay the RPN for this assigned additional responsibility a premium of \$0.60 per hour, in addition to his or her regular salary and applicable premium allowance.

Upon receipt of such notice by one party from the other, both parties will meet within fifteen (15) days thereafter for the purpose of bargaining on local matters.
